## ATTESTATION

I, Serge PERCHERON, Director of l'IAE of Poitiers, certify that our institution has recently completed a strategic agreement of cooperation with CASS Graduate School of International Management, Brussels, Belgium. The agreement entails, among other things, a joint program of study leading to the award of a Master's degree in Management from the respective institutions. Students who have successfully completed the program at IAE de Poitiers will be awarded the French National diploma Master of Management Sciences.

The terms of the agreement requires CASS to collect and transfer tuition fees to our institution. This means that no further tuition fees will be demanded by IAE of students sent to the program by CASS.

Poitiers, France, July 5, 2004
